INFORMATION DISCLOSURE STATEMENT PURSUANT TO 37 C.F.R. § 1.56

Commissioner for Patents Alexandria, VA 22313

Sir:

In accordance with the duty of disclosure provisions of 37 C.F.R. §1.56, there is hereby provided certain information, which the Examiner may consider material to the examination of the subject U.S. patent application. It is requested that the Examiner make this information of record if it is deemed material to the examination of the application.

A revised Form PTO/SB/08 listing all patents, publications, applications, or other information submitted for consideration is enclosed. In accordance with 37 C.F.R. §1.98(d), copies of the listed documents are not being submitted.

No admission is made that the information cited in this Statement is, or is considered to be prior art, material to patentability, or a representation that a search has been made.

Given the number of documents provided in this Information Disclosure Statement (IDS), it is suggested that the Examiner consider the documents listed below first. All of the following documents are listed in the attached IDS. Therefore, the following documents are being identified only as a recommendation. This recommendation is not intended to negate the Examiner's duty to consider all the documents as required by 37 C.F.R. §1.97.
